## CAREER OBJECTIVE

---

Ambitious third-year Computer Science student with a strong foundation in DSA and software development. Eager to leverage technical skills and passion for innovative problem-solving in a dynamic engineering role.

## EDUCATION

---

**B.tech in Computer Science**, Lloyd Institute of Engineering and Technology Expected 2026  
Relevant Coursework: DSA, Web Development, Software Engineering and Computer Network.

**Intermediate, Science**, Cosmos Public School Graduated 2021  
7.4 CGPA  
Relevant Coursework: Physics, Chemistry, Math

## TECHNICAL SKILLS

---

<b>Programming</b>	C, C++, Java, Python, JavaScript
<b>Web Technologies</b>	HTML, CSS, full-Stack Development, React, Node.js, Next14
<b>Tools</b>	Git, RESTful API, Version Control

## EXPERIENCE

---

**Geeks for Geeks : Campus Ambassador** Jul 2024 - Till

- **Organized coding events and workshops** to introduce students to coding and developments.
- **Achieved recognition** for outstanding performance and received prestigious certifications.

**HEX CLAN, Lloyd Institute of Engineering and Technology: Club Lead** May 2023 - Till

- **Co-founded and led** the HEX CLAN, contributing to its establishment and growth.
- **Recognized for outstanding leadership** and awarded the "Best Technical Club" on campus.

## PROJECTS

---

**DRAMAIA.** Developed an IMDB Clone web application using Next.js, replicating core features such as movie listings, ratings, and user reviews. Implemented server-side rendering, dynamic search functionality, and a responsive design for a seamless user experience. ([GitHub Link](#))

**PRAKRITI.** Developed "Prakriti," an ML project to predict categories like "Vat's," "Pet," or "Khof" using advanced algorithms, focusing on data preprocessing, model training, and classification accuracy.

## TECHNICAL EXPERIENCE

---

- **Solve over 300 problems on LeetCode, GfG and CodeChef** demonstrating strong problem-solving skills and proficiency in algorithms and data structures.
- **Engaged in coding competitions and hackathons**, which enhanced my problem-solving skills and ability to perform under pressure.
- **Achieved 4-star rating in C and SQL** on HackerRank, showcasing advanced knowledge and expertise.
- You can see my complete coding profile on **Codeolio** a coding profile tracker tool. ([Link](#))
